PRESIDENT'S WELCOME

MICK COLEMAN

I'd like to extend a warm welcome to all visitors to Silver Leys today, particularly to the players, coaches, officials and supporters of Loughborough for today's 1st XV match. I must also welcome Mark Prisk, our local M.P. Mark has given the club his valuable support over the past few years and no doubt we will tap him up again at some time in the future – and of course, we'll all vote for him! Also, good to see James and Ryan Palmer from Palmer and Martin here as man of the match sponsors, and Russell Property, as they continue their sponsorship of the Match Day Experience.

Unfortunately for Loughborough, they currently sit bottom of the league. Unfortunately for Stortford we are only two positions above them! Loughborough have yet to win a game, whilst Stortford have notched up just the one victory so far. Last week's game up at Sale, it started very brightly for us, but we then suffered a catastrophic yellow card, conceding 19 points in the 10 minutes. Although we huffed and puffed a lot in the second period, we couldn't blow a hole in their defence (although we should have done!) and eventually lost the game 22-8.

In last year's fixtures, Stortford were comfortable winners at home, but in the away fixture, the coach driver must have taken a wrong turn, for it seemed that we ended up playing Leicester! Unsurprisingly we lost the match and Loughborough enjoyed a great run of results, clambering out of the relegation zone at the death, which then sparked a great

debate discussing how many premier academy players each club should be able to field. But, before we become too 'holier than thou', we, along with most other clubs in the league, have also fielded academy players (Saracens), and we will have some available to us again this season. It's obviously just a question of getting the balance right with the numbers, and in our case, encouraging and trusting our own young players, which I'm pleased to say, Andy Long continues to do.

Next week we travel away to our very good friends at Chinnor, who have got themselves off to a flyer this year. Whilst most of us will be travelling on four wheels, 39 members and friends will be on two wheels, biking the 67 miles to raise funds in aid of our very own Jimmy Rea's daughter, Aurora. Aurora suffers with reduced cerebellum, which presents itself as a genetic based form of cerebral palsy. Sadly, Aurora is unable to walk or talk at this time, and this magnificent effort is to help raise significant funds to enable Aurora to have specialist treatment abroad. Please be generous in your support.

Finally, it is with great sadness that I have to report the tragic and untimely death of one of our mini rugby coaches. Lee Scott was a valued and vibrant member of our Under 10's, and his passing will have left a big hole in the hearts of all those who knew him. Our condolences go to all Lee's family and friends, especially his wife Candy, and their children Evie and Jules.

DIRECTOR OF RUGBY

ANDY LONG

Rugby can be a funny game and sometimes you maybe don't get the rewards your effort deserves.

The squad have been working really hard and our single victory in my opinion doesn't reflect the quality of our performances.

We have created a huge amount of opportunities in defeat, which has been frustrating, and something we've all been focusing on.

The league is so open this season with interesting results being thrown up each week. As a group we remain extremely positive and realise there are such fine margins between success and failure, most importantly we learn, adapt and apply fast.

It's been great to give new players their National One debuts this season and especially Piers and Connor who only last season were representing our colts side, this is a steep learning curve for them but one they and many others are embracing.

We know only too well how dangerous Loughborough can be, a young and dynamic side with plenty of pace and skill means we need to be at our best if we are going to get the result we want.

I hope you enjoy the game

Onwards and upwards

COLTS REPORT ROUND-UP

With just three weeks to go until the first round of the Colts National Cup, preparations continue to go well. Last weekend saw the League campaigns get underway against Enfield Ignatians and London Welsh, with Stortford coming out on top in both games by a healthy margin. With several players vying for each position in the National Cup squad, including many with representative honours, the future looks bright.

Training on Thursday evenings will grow ever more challenging in the coming weeks as the Colts will regularly run out against the 1st XV and Blues to practice their defensive and attacking shapes. The intention this season has been to align Colts ever more closely with the Seniors and throughout the first half of the season all players have been introduced to elements of the Senior play book, defensive systems, techniques and vocabulary. It has been a big ask, but the boys have met the challenge head on.

Director of Colts Rugby Andre Beukes is supported by a team of four coaches: Richard Bedford, Jim Bloxham, Bruce Belton and Chris Hadley, but the real heroes of the team are the management: Diane Basavaraj, Simon Wilson, Andy Beer and Brian Mitchell. For the past two seasons, Stortford have put player welfare at the

top of their list of priorities. This means that boys who play for school on a Saturday are not allowed to play for the club on a Sunday. This presents some tricky last-minute challenges for the team managers who now have to align both fixtures and selection to school rugby – fortunately they are spreadsheet magicians and have so far managed to field teams every Sunday.

The boys would welcome a sea of blue on the touchline at 12.30 on 21st of October when they take on Saracens Amateurs Away.

NEWS FROM THE BLUES

Welcome to Silver Leys on what I hope will be a dry day for us all. It is the Blues 4th league game of the season and we are once again at home hosting Barnes 2nd XV.

For those of you that have kept a closer eye on the Blues so far this year you will have noticed that the team is somewhat more youthful than previously. With the departure of some of the old guard last season, including stalwarts Luke Webber and Joe Clarke, it was apparent that this new season success would fall on the shoulders of a much younger and less experienced side. Tom Walker, Piers Martin, Will Tetlow, Jack Nicholls, Conor Mak, Cam Wilson, Reece Lane and Austin Pope are just some of the new squad that have already influenced the team greatly this season. They seem to have adapted seamlessly to men's rugby and I'm sure they will be faces you will be cheering on regularly in the 1st XV in the coming seasons.

There are a few faces that you won't be cheering on for a while yet as the injury list

already has some names on it. Ross Bird has undergone surgery to repair another knee injury, Sam Coleman has injured a part of his body (not sure what) and Tommy Cattell has said goodbye to some fingertips recently. It's always a tough place to be and no one likes rehab club!! Get well soon all! X

For those on the field, the commitment the Blues boys are showing to rugby this year has raised another level. The expectations of each other within the group are much higher and the coaching staff are pushing the standards Tuesdays and Thursdays so that Saturdays contain a few more W's!!!!

Please take some time to come and watch the Blues, your support is greatly appreciated!! Thank you to those supporters that didn't travel to Sale and who braved the rain to watch last weekend!!!!!! No doubt you will hear from me again soon.

Scants xx

TODAY'S OPPOSITION

LOUGHBOROUGH STUDENTS RFC

The history of Loughborough Students RFC actually predates the formation of the University when the students of what was then Loughborough College formed what is considered the original side in September 1919.

As you might expect for certainly one of, if not the pre-eminent sports university in the UK they have a rich & illustrious list of rugby alumni. Which includes at least 17 former British & Irish Lions & many more full internationals. Fran Cotton, Gerald Davies, John Dawes, Eric Miller, Ben Kay & Sir Clive Woodward have all worn their famous colours.

In 1976, the Student's Unions of the University of Technology and the Loughborough Colleges merged and the Loughborough Students Rugby Club was formed. The eventually joined the RFU league structure in 1996 at the bottom of the league system. By the end of the 2006 /07 season they had reached Midlands 1 (Level 5) & in their first season were promoted to Level 4- National 3 North (now National 2 North).

In 2012 they were crowned champions of National 2 North securing promotion to National One. They finished a very creditable 7th in their first season at Level 3. In the subsequent five seasons they finished between 11th & 13th

Last season whilst we defeated them here in December 43-12, the students exacted revenge in April when finishing victorious 32-14 in the return fixture.

Like ourselves they have had a 'difficult' start to this current campaign, losing their first four fixtures. The most recent of which was a 8-39 reversal at home to Cinderford.

MATCH REPORT

Stortford rue missed opportunities, as they go down to defeat against an experienced Sale side.

Stortford got off to a quick start and were 5 points ahead within 2 minutes, with the home side apparently caught cold. Quick hands across the Stortford backs gave Rob Duff on the right wing a bit of space, allowing him to get round the outside of his opposite number and an accurate pass inside saw Sam Winter bursting over the line for an unconverted try. The visitors remained on the front foot and extended their lead with 5 minutes gone with a George Cullen penalty. Sale rallied, though and scored their own penalty goal after 11 minutes for what seemed to be a harsh penalty for not releasing at a tackle, though the attacking player appeared not to have gone to ground before the ball was ripped free. As the game went on, the home side gained a slight edge, enjoying an increasing share of possession. It was Stortford, though that came close to scoring again after 26 minutes, when a break up the middle by Winter put his side on the front foot, but a knock-on close to the opposition line snuffed out the threat. Stortford continued to press, but two poor tactical kicks allowed Sale to counter-attack, leading to the major turning point of the game, when Cullen was yellow carded on 30 minutes for a deliberate knock-on. The home side drove home the one man advantage immediately, driving over from a 5 metre lineout to level the scores and showed the benefit of their extra experience over the next 10 minutes in scoring two more converted

tries by driving repeatedly up the middle through their powerful forwards, before switching the ball quickly wide for their very skilful back three to exploit the visitors' stretched back line. The value of the 19 points added during the yellow card period became increasingly evident, as the second half progressed, with Stortford appearing increasingly frustrated, as a combination of stout Sale defence and crucial handling and alignment errors foiled a series of threatening attacks. James Apperley, Sam Winter and Seb Brownhill showed up prominently for the visitors, but the home side also came close to a couple of scores on the counter and were undoubtedly deserved winners after a scoreless second half. This was a remarkable outcome, with both sides looking to attack at every opportunity, but two strong defences ultimately came out on top. On the balance of opportunities Stortford could feel disappointed that they had not at least gone away with a losing bonus point against a well organised side, including a number of outstanding players - notably their loosehead, Adam Aigbokhae, who constantly threatened with ball in hand around the fringes, number 7, ex international, David Seymour in the thick of things at the breakdown and winger, Paulo Odogwu threatening whenever he got his hands on the ball, as might be expected from a player, who had appeared for Sale Sharks in the Premiership last week.

IN THE SPOTLIGHT:

SEB BROWNHILL

I started my rugby career from a very young age over at Hertford RFC playing all the way up to U14s, where I went on to have a few years at Bramley road playing for Saracens Amateurs, before getting heavily involved with the Saracens academy. Playing for the academy opened up a lot of avenues for myself which I am massively grateful for. They helped me gain a scholarship to Haileybury College, where I was also a Lawrence Dallaglio scholar. But more importantly, I wouldn't be playing for Stortford today if it wasn't for Sarries.

I have to admit it was a tricky start for myself at Stortford, with previously coming from Hertford and being too young to play my favoured position "prop", however the guys gave me a warm welcome which helped settle the nerves. My Blues debut was against Hertford at Hertford which was more than interesting to say the least. My first season with Stortford was stellar as the Blues went on to win the Presidents cup at Allianz Park (Blues don't lose). When I eventually turned 18, Longy gave me the opportunity to experience 1st team rugby. It was over at Barnes in National 2 in what could only be described as the loosest game I've ever played in. It was a massive eye opener for myself, showing me how the adult game is another level to what I expected it to be with the physicality and detail being worlds away from what I had previously experienced.

That year Stortford went on to win the win National 2 in some style and I was left with the tricky decision whether to stay with Stortford or move into the Loughborough Uni Nat 1 set up. I chose to move but very quickly found myself wanting to be back in the blue and white which I now call home.

I feel playing at Stortford is the reason I have been so lucky to go on two England Counties U20s tours and fingers crossed what I've learnt here may take me further in the future.

It's here I want to thank the support of Longy, my sponsor Virtus Property Management, all the players and staff and all you faithful supporters. I know it's been a rough start to the season, however the performances we have put out definitely excite me for what is to come. O Stort are we!

CLUB STORTFORD

NOW IN ITS FIFTH SEASON, CLUB STORTFORD WAS SET UP BY A SMALL WORKING PARTY, TO SUPPORT THE 1STXV SQUAD AFTER PROMOTION TO NATIONAL LEAGUE RUGBY IN 2013/14. OUR AIM IS “TO ENSURE BISHOP’S STORTFORD RFC HAS A SUSTAINABLE FUTURE IN NATIONAL LEAGUE RUGBY AND CONTINUES TO NURTURE HOME GROWN TALENT.”

Working in conjunction with the 1stXV coaching team, CS provides funding for various expenditure beyond the financial resources of the main club.

Director of Rugby, Andy Long, has reiterated on a number of occasions the importance he attaches to the financial support given by Club Stortford. Quite simply, without it's support, the team would not be able to perform at such currently high levels.

We continue to look for new members, to allow us to broaden and deepen the extent of our support.

We would urge you to consider joining Club Stortford. If you are interested and would like further information, please contact our secretary,

THE OVAL CLUB

The Oval Club was established in 1998 with the mission statement
“To contribute towards promoting the highest possible standard of rugby throughout Bishop’s Stortford Rugby Football Club”

The Oval Club is autonomous and entirely independent of BSRFC’s financial and administrative functions. Members of the Oval Club contribute each month by standing order to raise funds to support one off projects within the Rugby Club which should be of benefit to the whole club and to provide social events for Oval Club members.

Since its inception The Oval Club has contributed more than £150,000 towards the cost of BSRFC projects such as:

- Drainage and floodlighting of the No 1 and back pitches
- Improvement and maintenance of all playing surfaces
- Protective fencing around back pitches
- Funding the cost of the use of additional playing surfaces
- Supporting Minis and Youth sections
- Refurbishment of changing rooms and showers

Regular social events are organised for and enjoyed by Oval Club members each year.

The Oval Club has played a considerable part in donating much needed funds to enable BSRFC to provide facilities and to enhance its reputation in the local and rugby communities.

Membership of the Oval Club is currently 76 and any member of BSRFC who is interested in joining the Oval Club should contact the Secretary, John Robinson, via jbr@talktalk.net

BSRFC Girls and Ladies Update

By Nikky Wilkins

Sunday 23rd September saw the BSRFC U13 and U15 girls brave a torrential downpour to take part in the Sudbury RFU 7s tournament.

With a wet day ahead of them, the U13 Stortford girls teamed up with Chelmsford to create the elite team: 'Bishford'. Despite a rocky start against the home team, Sudbury, a few big tackles from Maddie and quick runs from Alice, allowed their confidence to shine by the end of the match #BISHFORD

The next two games were triumphant for Bishford who scored six tries across both games. The girls pulled together fantastically, with a pivotal role from Gracie who showed some great support runs, the girls made some defining tackles to secure each win.

Our U15 girls also merged with Sudbury and Chelmsford (Bishburyford?), and faced some very well drilled teams. The girls played so well together with awesome communication and great defence lines.

Their last game was against Eton Manor, who were assumed to be sure-fire winners of the game. The teams battled it out and fought well, but a try from BSRFC's Alice led the mixed team to victory – winning all three games!

Overall, it was a fantastic result for both teams and all players involved – producing big smiles

all round and some VERY happy (and soggy) coaches. A huge thank you to the parents who braved the dismal weather to support the teams, help out with the warm up and provide some delicious chips!

To round up, it's an exciting time for female rugby at Bishop's Stortford Rugby Club. Not only are there a number of matches and tournaments planned for the current U13, U15 and U18 girls' teams, the age groups have been extended to include a new U11s team – meaning that girls in their last year of primary schools will now get an opportunity for games outside of training.

BSRFC Girls and Ladies train every Tuesday. Girls (U11-U18) from 6.15pm to 7.15pm, and Ladies (17+) from 7.15pm to 9pm.

Each of our Teams welcome girls and women of every shape, size and fitness level. If you, or anyone you know, would like to join, contact them on one of their social media channels (Facebook, Twitter and Instagram) or email bsrfcladies@gmail.com.

UPCOMING MATCH: BSRFC Ladies team face Welwyn Garden City at home on Sunday 7th October. On the back of two very successful matches against St. Neots and Harpenden, please do come along to Silver Leys to support and encourage another win!

Smiles for Miles

Each season we nominate a Presidents charity with the aim of collecting a bit of cash for a charitable cause within our local community, whilst enjoying ourselves in rugby. Over the last few years we've raised tens of thousands of pounds for organisations such as St Clare Hospice, Mencap's Grove Cottage, Ellies fund & The Essex & Herts Air Ambulance Trust. Looking beyond the club for a worthy cause allows us to have a positive influence on lives beyond Silver Leys and reinforces our claim to be a true community club.

That doesn't though preclude us, from every now and then, practicing a little bit of self-help. Charity is sometimes allowed to begin at home.

So, when our sponsorship coordinator Julie North, along with her friend & fellow keen cyclist, Jo Hart from Mantle Business Centres, learnt of the medical challenges facing 4-year-old Aurora Rea, daughter of 1st XV Winger Jimmy and his wife Leeann, they resolved to galvanise our whole club into action in order to help.

Aurora suffers from Movement disorder which presents like Cerebral Palsy, as well as Global Development Delay. She has already had to endure several operations and every day is for her literally, a physical battle.

It was whilst recovering from a physical battle of their own in the shape of a long bike ride that Julie & Jo came up with the idea of organising a fundraising 67-mile bike ride to Chinnor rugby club to coincide with the National One fixture between our respective 1st XV's on 6th October

Almost immediately it struck a chord with fellow club members to the extent that 'Team Aurora' has grown considerably to now consist of 39 riders & 7 support staff made up of players, ex-players, coaches, parents & sponsors.

Their chosen route will take them out through Hertford, Welwyn, & Harpenden. Past the entrance to Whipnade Zoo, around Aylesbury & hopefully onwards in time for kick off to the rugby club just outside Thame.

They have been generously supported by donations from Hanbury Wealth, Pestell Estate Agents, Barons BMW, Palmer & Martin Hire, Bishop's Construction, Greys of Ely & Kings Removals.

The team have set themselves a fundraising target of £10,000, money needed to send Aurora to the Neurological and Physical Abilitation (NAPA) centre in Boston USA where she will receive an intensive therapy programme designed specifically for Aurora's unique needs.

Leeann has told us that NAPA is an extraordinary experience & one which she knows Aurora will embrace and benefit from immensely. Allowing her to realise her full potential.

We can't all cycle but we can all support Team Aurora's endeavour. So let's come together as One Club to make the life of one of our own so much better. Please donate today, or go online on the teams JustGiving website www.justgiving.com/fundraising/Smiles4MilesTeamAurora

As part of the Clubs ethos 'to be a strong and successful rugby club united from Senior to Mini's, trusted and valued by our community' the BSRFC Director of Rugby, Andy Long, Club Captain Sam Winter, & the rest of the 1st XV Squad provide an insight for our "Mini & Junior" Members into what goes on behind the scenes as the Players prepare for a National League
