PRESIDENT'S WELCOME

MICK COLEMAN

I would like to extend a warm welcome to everyone visiting Silver Leys today, especially to officials, players and supporters from Esher, who provide today's opposition to both the 1st XV and the Blues. Neither Esher or ourselves have got off to a great start this season, although both clubs enjoyed excellent wins last week, proving that virtually any side in this league can beat any other. Indeed, just 3 points currently separate 9 teams.

We are definitely in the smug zone after last week's victory away at the then league leaders Chinnor. Oh, how we enjoy our victories down there, and this one was certainly no exception! In the week leading up to the match, the Stortford physio's were the busiest people in the club, but even their skills and hard work were unable to work miracles, and we had over 20 first team squad players unavailable through injury. Luckily, along with some of our own youngsters, we were also able to field 4 Saracen academy players to plug some gaping holes, all good lads who quickly bought into the 'Stortford way'. A massive commitment to the defensive cause laid the foundations, and we eventually ran out worthy 13-6 winners.

The Blues, fielding a very young inexperienced side, narrowly lost their match with Chinnor, but they put in one hell of a performance, and Chinnor certainly knew they'd been in a match.

Off the field, Chinnor proved themselves to be excellent hosts, not only welcoming our Smiles 4 Miles cyclists, but also generously donating to the Aurora Rea treatment fund, which currently stands at an astonishing £20,313. All those involved with the ride, from cyclists, support teams, sponsors and organisers should feel massively proud of themselves, not just for the money raised but for actually completing the 70 odd mile route in some horrible conditions. Well done everyone concerned! Today's Man of the Match sponsor is Sam Prior of Bit Solution, and corporate sponsors are Mantle, NFU and Radleys. Your ongoing support is greatly appreciated.

And finally, it's good to see so many VP's and former players here today, which should ensure excellent beer sales if nothing else.

DIRECTOR OF RUGBY

ANDY LONG

I have been so proud to be associated with the club, and all those who support, for the compassion and sentiment shown through this emotional time.

We have seen the club unite both in grief for the passing of Lee Scott and in massive hope and opportunity in raising money for little Aurora through the Smiles 4 Miles bike ride to Chinnor. Congratulations to all of you who braved the horrendous conditions last week for such a great cause. For me this is what being part of a 'club' is about, it's about standing strong together and supporting each other on and off the field.

I'm extremely proud of the way the squad has reacted to the defeat in Sale, putting in two strong performances. We know if we can keep this consistency and with the league being so up and down we could quickly climb the table. Only 6 points separates us in 13th and 1st placed Chinnor after 6 rounds, but we know it's all down to performance.

Today we welcome Esher to Silver Leys who will be no doubt buoyant after a fantastic result last week against Cinderford. We had two tough encounters last season and I'm sure we can expect the same today.

Enjoy the game

The Move up to Youth

Every season, the new U13 age group experiences the change from Mini Rugby to Youth Rugby so we thought we would ask them the question of what this change has meant to them and how they have found the first month in youth.

"What changes have you noticed?"

It would be easy to write an article about the changes to the rules at but Under 13, but rather than do that, they thought it would be more interesting pose the above question to the age group as a whole and get the answer from those who are actually experiencing it; the boys, the parents and the coaches. Here is what they had to say.....

The first people to answer this are the boys:

- It's a lot more formal • It's more challenging but more fun • It's a way bigger pitch - much harder!
- I like the real competition in matches and for places in teams, it makes you want to get better.
- Having to be smart is good as you start to feel you are a real part of BSRFC.
- It's harder, because you have to be fitter, run faster and hit harder • It has become a lot more strategic • I am enjoying playing full games and not short games or festivals. • It is more challenging but I'm enjoying it more!
- Ties • The club gives us our shirts • We get to

use the changing rooms • We have to wear smart clothes at the weekend, but we get better food after a match

Then the parents:

- The shirts!!! Less washing! • Ties! • Interesting as the first time they are playing actual positions requiring different skill sets.
- It is more organised, far better to watch. Great to see the boys put into positions. Where did my baby go? • It is better to watch and time wise as the boys get to play at least a half • Split Squads
- It's more formal • The boys seem to have matured already, they are taking the game more seriously and really starting to compete for places

And finally, the Coaches:

It's great to see the kids really having to take responsibility for all their actions on the field and off it, I can see them taking different approaches to challenges but the outcome will be the same, well-mannered boys that will understand their own value to the community.

It would seem that this years U13s have embraced the changes and we wish them every success in their first season in Youth Rugby.

Matt and Susie Woodford.

NEWS FROM THE BLUES

I've been heavily involved with the Blues for a number of years now. Even dating back to the days of Dunny being our player/manager. He was a quality scrum half. It's mad to think that at the age of 26 I'm now one of the oldest players in the team. We've had a large selection of young men come into the team this season which has been a real boost for us. With a huge amount of talent, confidence and fight it's a perfect combination for an ever-developing squad. I'm getting more and more concerned about my safety on the team sheet as the weeks go on.

A lengthy injury list has impacted the squad over the last few weeks. Jack Scantlebury and Mark McCraith were called up to the 1st team. Meaning a slight reshuffle in the pack and in the midfield. On the plus side, Sam Coleman has been declared fit to play after a while on the side-lines and it is great to have him back in the squad.

Last week's poor weather conditions away at Chinnor sadly dictated the game which finished 13-7 to the home side. Both teams

struggled to gather any real momentum in the match and at half time the score board could have swung in either direction. Unfortunately, with the wind head on we couldn't quite get the go forward ball for our pack we needed to get over the line in the last 10.

This week's match is back on our home patch against Esher who will be looking for their first win of the season. The Blues will be looking for our 4th win in 5 games and would put us in good stead for our away trip down to Richmond the following week. We've had a fantastic start to the season and the support has been amazing. Another big Saturday up at Silver Leys will hopefully not disappoint. If you get a chance try and have a quick watch of our game on pitch 2. We play some great rugby!

Have a great day and COYB's!!!

TODAY'S OPPOSITION

ESHER RFC

The club was formed in 1923 when four rugby enthusiasts met in a pub and decided to form a rugby club. One of them, a Welshman insisted that the new club should adopt his native Welsh club's colours. Which is why Esher play in the same Black and Amber as Newport to this day.

At the outbreak of the Second World War, Esher had moved to its present site in Molesey Rd and were fielding eight sides, but war disrupted activities and the pitches were ploughed up for food production. Post war amazingly they ran as many as fifteen sides each Saturday!

Esher were first promoted to National League 2 South in 1998. In 2007 they were promoted to National One and again just three years later to the Championship in a season that famously saw them set a new world record in beating Manchester 148 – 0. They played in the Championship for two seasons before being relegated back into National League 1 for the 2012–13 season.

In 2013 they finished Runners up; & in the years since have always finished comfortably mid-table. Last season they finished just one spot lower than us in 9th. They have had a 'challenging' start to this accumulated just the 11 points from their six games to date. Their two wins came at home against Cambridge (17-10) & last weekend vs Cinderford (10-7).

MATCH REPORT

With a strong wind blowing the steady rain almost straight down the pitch.

Stortford played the first half against the elements and, not surprisingly had to withstand a lot of pressure, with the home backs using the wind to great effect to kick for territory. This led to extended periods with Chinnor's forwards hammering at Stortford's line, during which the visitors showed immense character and determination, as well as a lot of technique in repelling drive after drive. Stortford also showed remarkable skill in running through many phases of handling rugby through both forwards and backs to deprive the opposition of the ball, but time after time, Chinnor managed to turn the ball over and push back into the visitors' 22 with some good kicking.

The defence stood strong though and ironically, it was after another successful Stortford drive upfield that the first score came, when a penalty was given for a breakdown offence close to halfway 13 minutes into the game and flyhalf, Caolan Ryan stepped up to boot the kick over the bar with yards to spare. More Chinnor pressure led to another penalty after 30 minutes, allowing Ryan to double his side's lead. Stortford again showed great character in running through the phases to force their way out of defence and eventually a good break by Jimmy Rea in midfield took them close to the Chinnor 22, leading to a period of concerted pressure on the home line, which almost brought a try, but the ball was lost forward, as a Stortford forward stretched across the line, after a tremendous team drive. A 6-0 deficit against such a strong attacking side as Chinnor with the wind at their backs was an excellent halftime result for the visitors and just reward for some outstanding defence.

The second period started with a long Stortford dropout and a good take by Tom Walker of a clearing Chinnor kick and an immediate pass to Rea saw the winger break through the chasing

line. He then put in a pinpoint grubber kick to the opposition try line, where a good team chase forced the covering defenders over the line for a 5-metre scrum. For the first time in the game one pack managed to force the other cleanly backwards and it was the Stortford 8 that were surging forward. With a couple of meters still to go to the line, the home front row clearly collapsed the scrum and the referee had no hesitation in awarding a penalty try with barely 2 minutes of the half gone.

Stortford dominated most of the half territorially in the same way that Chinnor had in the first period and were likewise rewarded with 2 penalty goals, kicked by debutant flyhalf, Manu Vunipola after 17 and 38 minutes. Despite incurring yellow cards to Seb Brownhill for scrum offences and James Apperley for a late tackle after 8 and 39 minutes respectively, Stortford were able to see out the game, though not without a few nerves towards the end, as Chinnor showed ever more adventure in their desperation to close the deficit.

A tremendous win in a hugely hard-fought match was earned by Stortford's superb defence, taking 4 valuable league points away from high-flying Chinnor.

A second major achievement of the day needs to be recorded in the charity bike ride completed by almost 40 Stortford supporters in the hostile weather conditions to raise funds for crucial therapy treatments for Aurora Rea. Congratulations to all those that did the ride and thanks to all those who contributed sponsorship and donations to this great cause, among whom a highly honourable mention must go to the Committee and members of Chinnor, who showed huge support for the event - you did your club proud.

IN THE SPOTLIGHT:

DECLAN CAULFIELD

The best thing about this being my ninth season in the 1st XV is that the young guns in the senior squad can't remember how I used to play. So as far as they are aware I am faster than Christian Cullen, as strong as Jason Leonard and as skilful as Dan Carter but I'm just carrying a couple of injuries at the moment. As for the wrinklies, they are now all so old they can't remember where they put their beer down let alone how I used to play. It is amazing to see how much the team and the club have gone from strength to strength as the seasons have gone on, with players climbing through the ranks of the club from Minis to 1st XV

This is a very exciting season for the club. With the league having no standout front runners as yet, we believe we can be up the top with the best of them come the end of the season. Competition for places means training has been harder, faster, and more intense. Although, I think that was just a tactic to get Mark McCraith to finally retire as we can't afford the tape which keeps him together.

I have achieved more than I could have thought with BSRFC, having won two National League titles and a couple of Presidents Cups. The last three years have been my favourite to date. Winning promotion down in Exmouth will be a memory I will hold dear for a very long time. Along with the long away trips singing 'Oh Stort are we' and Tomo's insistence that we play Ed Sheeran's 'Castle on the hill' after every win.

There have been 3 consistencies throughout my rugby career. Firstly, as my age goes up so does my weight. Secondly, there is always time for one more Guinness and most importantly come rain or shine, up and down the country you will always get a bus load of the Stortford faithful.

The hardest part of playing for Stortford is that the supporters and sponsors make it impossible to buy them a thank you beer after the game. Especially my sponsor, who happens to live in Italy! You don't have to look far to see our One Club ethos from people volunteering on Saturdays and Sundays to the members of Club Stortford. I experienced this first hand when I wanted a career change. I had people offering to help left, right and centre. With NFU Mutual, Jack Scantlebury's sponsor, pulling the short straw and having me as the new member of their team.

They are hosting a table at the lunch today so please take a moment to offer them your condolences.

Enjoy the game, Dec

CLUB STORTFORD

NOW IN ITS FIFTH SEASON, CLUB STORTFORD WAS SET UP BY A SMALL WORKING PARTY, TO SUPPORT THE 1STXV SQUAD AFTER PROMOTION TO NATIONAL LEAGUE RUGBY IN 2013/14. OUR AIM IS “TO ENSURE BISHOP’S STORTFORD RFC HAS A SUSTAINABLE FUTURE IN NATIONAL LEAGUE RUGBY AND CONTINUES TO NURTURE HOME GROWN TALENT.”

Working in conjunction with the 1stXV coaching team, CS provides funding for various expenditure beyond the financial resources of the main club.

Director of Rugby, Andy Long, has reiterated on a number of occasions the importance he attaches to the financial support given by Club Stortford. Quite simply, without it's support, the team would not be able to perform at such currently high levels.

We continue to look for new members, to allow us to broaden and deepen the extent of our support.

We would urge you to consider joining Club Stortford. If you are interested and would like further information, please contact our secretary,

Russell Cattell 07778 101988

THE OVAL CLUB

The Oval Club was established in 1998 with the mission statement
“To contribute towards promoting the highest possible standard of rugby throughout Bishop’s Stortford Rugby Football Club”

The Oval Club is autonomous and entirely independent of BSRFC’s financial and administrative functions. Members of the Oval Club contribute each month by standing order to raise funds to support one off projects within the Rugby Club which should be of benefit to the whole club and to provide social events for Oval Club members.

Since its inception The Oval Club has contributed more than £150,000 towards the cost of BSRFC projects such as:

- Drainage and floodlighting of the No 1 and back pitches
- Improvement and maintenance of all playing surfaces
- Protective fencing around back pitches
- Funding the cost of the use of additional playing surfaces
- Supporting Minis and Youth sections
- Refurbishment of changing rooms and showers

Regular social events are organised for and enjoyed by Oval Club members each year.

The Oval Club has played a considerable part in donating much needed funds to enable BSRFC to provide facilities and to enhance its reputation in the local and rugby communities.

Membership of the Oval Club is currently 76 and any member of BSRFC who is interested in joining the Oval Club should contact the Secretary, John Robinson, via jbr@talktalk.net

BSRFC Girls and Ladies Update

By Nikky Wilkins

It's been rather a quiet few weeks for BSRFC Girls and Ladies Team. Following the success of the Ladies Team on 15th September against Harpenden, our Ladies were very much looking forward to a couple of weeks' rest before a game two weeks later. Unfortunately, this game was postponed as Welwyn Garden City couldn't field a full team.

However, this means that the Ladies will be fully recovered and ready for battle by the next match on 21st October, an away match against Fullarians.

On the other hand, the BSRFC Girls have been very busy gaining valuable match experience and developing their skills and bond as teams.

On 23rd September, the U13s and U15s experienced a hugely triumphant festival in Sudbury, closely followed by a moonlit festival the following Friday. In addition to this, the Girls – including the brand new U11s – took part in an away fixture for a mixed training and match session at Letchworth RFC.

The coaches are very keen to develop these Girls teams further, and despite the departures of a couple of coaches (halfway across the world) two new coaches have been recruited to help them through the number of forthcoming festivals throughout this season.

BSRFC Girls and Ladies train every Tuesday. Girls (U11-U18) from 6.15pm to 7.15pm, and Ladies (17+) from 7.15pm to 9pm.

Each of our Teams welcome girls and women of every shape, size and fitness level.

If you, or anyone you know, would like to join, contact us on one of our social media channels (Facebook, Twitter and Instagram) or email bsrfcladies@gmail.com.

A Cheeky Christmas Present

You might think it's a little early to start thinking about Christmas (but probably not, unless you're a last-minute-Christmas-Eve-present-buyer), but the BSRFC Ladies are incredibly pleased to announce that you will very shortly be able to buy our BRAND NEW cheeky calendar.

On sale soon, the calendars will be available in desk or wall calendar formats and sold online and through the club shop. At £10 each (plus postage if bought online) these calendars are in aid of The Eve Appeal, a charity which raises awareness and funds ground-breaking awareness into the five gynaecological cancers.

With the aim of raising as much money as we possibly can for this charity, our ladies stood strongly for body positivity and empowering as many women as we could. We obviously wouldn't have been able to do this without our sponsors, Charterhouse Voice and Data, HR Go, and Nockolds Solicitors, and of course, the wonderful Andy Todd (who was very professional, and is probably owed quite a few apologies from the ladies who took part...).

We owe a very special thanks to Amwell Electrical who VERY kindly paid for the printing of the calendar. Their generosity means that we are able to donate 100% of all profits to The Eve Appeal – make sure to keep an eye out for when they go on sale!

Thank you to Hanbury Wealth, Proud Sponsors
of Bishop's Stortford RFC Fireworks Display 2018

Hard work but hopefully worth it. By Perry Oliver

We've advertised this year as being the 16th Chapter in our Fireworks history but in truth it's more like the 20th. That contradiction is explained by the fact that the genesis of the event can be traced back to Saturday 7th November 1998 when, as a 5th team, 'the Mighty Fifths', we decided to let off a few boxes of 'Standard' Fireworks whilst huddled around a disposable BBQ purely for the entertainment of ourselves & our families. The following year we invited the other teams to join us and, as they say, the rest is history. This is though, the 16th time we've invited paying guests to join us for what is now certainly one of, if not the, largest display in East Herts. It has in effect become the de facto 'Town' display, regularly attracting between Three & Four Thousand people to the club.

However it hasn't always been the extravaganza we will, fingers crossed, once again enjoy on 3rd November. In the early years of its 'professionalism' in typical Stortford fashion we used to buy the industrial grade fireworks in and let them off ourselves. It seemed like a good idea until one soggy year when a few of our bigger purchases repeatedly failed to light & I made the nearly fatal mistake of returning to a previously lit rocket. As I bent over to reignite the device it went off and in doing so hit the peak of my baseball cap with such force that it knocked it off my head! That was it! From then on we brought in the professionals – Essex Pyrotechnics, but I do still insist each year on wearing my lucky cap.

Obviously safely hosting an event that attracts so many paying guests takes a lot of planning. Long gone are the days of only deciding who's buying the fireworks and who's getting the sausages the week before. Nowadays planning for next year's event will start within days of us concluding this one. The 14 strong organising committee meets at least four times in the weeks immediately preceding the event, trying to anticipate every eventuality.

Inevitably as the event has grown so have the costs associated with getting it off the ground. You simply cannot plan for welcoming, entertaining, feeding & watering 4,000 people without some prior investment. I try not to think too much about it but the reality is, it costs us nearly £13k to host. So we need to sell a lot of tickets & burgers before we break even. Bad weather – or more accurately rain is our nemesis. It can be cold but provided it's dry we know the people will come.

That's why we are so grateful to our sponsors Hanbury Wealth and long-time supporters Intercounty Estate Agents for the assistance they provide in helping to mitigate our exposure.

Cometh the day a small army of club volunteers will help us set up the site, host the display & then late into the night deconstruct it all, so we can play rugby the next day. It's a long, tiring day but one which can, provided 'the sun shines', be very rewarding.

I don't know the exact figures but I reckon in 15 years we must have contributed at least £100k to the clubs coffers, money which, we as a committee, insist is spent on projects that will benefit the whole club.

If you would like to be part of the volunteer team this year (& we can't do it without them) please e-mail Dee via dariancompton@aol.com

FORWARD.

BISHOP'S STORTFORD RFC MATCH DAY EXPERIENCE

BEHIND THE SCENES WITH THE 1ST XV

As part of the Clubs ethos 'to be a strong and successful rugby club united from Senior to Mini's, trusted and valued by our community' the BSRFC Director of Rugby, Andy Long, Club Captain Sam Winter, & the rest of the 1st XV Squad provide an insight for our "Mini & Junior" Members into what goes on behind the scenes as the Players prepare for a National League

1 Match. The day kicks off with a Q&A in the 1st XV Changing Room, followed by Training, Games & Warm up Sessions with the Coaches and Players. They then form the "Players Tunnel" alongside the "Blazers" to welcome both the opposition and the 1st XV onto the pitch before the game. Their experience culminates with Post Match Photos alongside the Players.
